

ACRYFILL FONDO RL

CHEMICAL COMPOSITION

Synthetic resins, proteins, waxes, oil

CHARACTERISTICS

<i>Appearance:</i>	<i>white liquid</i>
<i>Active substance:</i>	<i>8,5 - 9,5</i>

PROPERTIES

ACRYFILL FONDO RL is a filling product to be used with roller-coat machine as it is or spray applied previously 1:1 diluted in water.

ACRYFILL FONDO RL can be pigmented to 10% weight.

After application and waiting for a few hours, leathers can be felt or amber rolled to enhance surface closure.
