### PROPERTIES

After all the tanning operations the problem of restoring the original appearance of the hair remains, making it soft and shiny again; this is possible using **LUXPELL**.

This product is in fact a specific auxiliary for cleaning the hair, giving it excellent shine and good protection fro humidity.

### USAGE METHOD

It is used in dyeing in a ratio of 2 to 5% on dry weight.  
The desired quantity of **LUXPELL** is also added to sawdust.
